HOW IT WORKS

The idea of a Dougie's Donut fund raiser is to give your group the chance to raise some extra cash by selling Donuts.

It's like the old-fashioned bake sale but without the baking! It's as simple as 1-2-3!

1.

You buy the donuts from us at a reduced price

2.

On-Sell them for the recommended retail price

3.

You keep the profit!

THINGS YOU NEED TO KNOW

- Minimum order is 30 boxes.
- Fundraiser date must be booked and pre-approved.
- Your order will be available for pick-up on the agreed fundraiser date after 11am.
- Payment must be processed no less than 7 days prior to your fundraiser.

COST

The recommended retail price below allows you to make a profit of \$6 a box. Please see the price structure below:

	FUNDRAISING COST (What you pay for the product)	FUNDRAISING RRP (What you charge your customer)	PROFIT (Profit per box)

PICKING UP YOUR ORDER

There are a few simple rules to follow to guarantee your customers receive the same quality donuts that you can buy in a Dougie's Donuts store.

- Plan to deliver your donuts orders to your customers as soon as possible.
- Only stack 4 boxes on top of each other when transporting the products. Any more will result in your donuts being crushed.
- Keep your donuts in a cool shaded area and avoid direct sunlight at all times.
- Do not freeze or refrigerate the product as the quality will deteriorate.
